DEQ Enviroschool to present workshop on industrial water permitting for refineries

BATON ROUGE – The Louisiana Department of Environmental Quality’s Enviroschool will present a free workshop on Industrial Water Permitting Process for Refineries in St Bernard parish. The workshop is scheduled for Thursday, Nov. 18 from 10 a.m. to 12 noon at the St. Bernard Parish Council, 8201 West Judge Perez Drive in Chalmette.

This session will introduce the participants to the applicable regulatory requirements and will describe the process used to develop permits for refineries in Louisiana.

The Enviroschool for communities training program is designed to educate communities and to encourage meaningful participation in the regulatory process.

To register for this workshop, go to www.deq.louisiana.gov/enviroschool or for more information please call Tomeka Prioleau at 225-219-0877.
